

## Special Guest Major Brian Bishop

Brian is now in his 30th year as a Salvation Army Officer/leader and continues to be passionate about his role and every opportunity to serve and influence holistically the lives of people. Brian and his wife Glenda have only served in a few appointments within the Salvation Army across Central and Western Ontario. Included in these roles was the establishment of the work of the Salvation Army in northern Mississauga, where he provided oversight to a new build along with the associated program development. His assignment to London and subsequently to Windsor Ontario also provided opportunity to expand and enhance the contribution of the Salvation Army within those communities.

However, since receiving his transfer to Central York Region in 2001, Brian and Glenda have been on a journey that has expanded and developed a framework for the Salvation Army providing a greater holistic and integrated approach. During his tenure he has been developing stronger partnerships and collaboration, understanding that we are 'Better Together.' Through these years, as inspired by the Spirit, he has led His congregation through transition and change within the context of both Church life and Community Services. This spirit led vision has seen many opportunities, challenges and growth. To provide the greatest impact and influence to the community, Brian led the charge to relocate the Salvation Army and its ministry in 2016. As they are now in their 19th year serving as the leaders of TSA in Central York Region, He is excited for the future and the days that are ahead.

25 Salvation Army Rd Jacksons Point,  
Ontario L0E 1L0
